# A Message From the Chairman of the Board and Executive Director

Welcome to the 2019 HCCF Annual Report. These pages provide a glimpse into the community impact spurred on by the Huron County Community Foundation and our generous supporters.

The highlight of 2019 was the unveiling of our Strategic Priorities:

- Creating Vibrant and Dynamic Communities
- Retaining and Attracting a Talented Trained Workforce
- Cultivating an Environment for Business Development

These priorities were the culmination of months of listening to our community about what challenges and opportunities they saw facing Huron County today and in the future. We hope that through these pages you will see our efforts to address these priority areas and further our mission of improving the quality of life in Huron County.

Enjoy this look back at what we were able to accomplish together in 2019.

**Brent Wehner, HCCF Board Chairman**

**Mackenzie Price Sundblad, HCCF  
Executive Director**

Over 80 community members attended the Placemaking Pitch Event, hosted in the Port Austin Gymnasium, on May 16th. These community members heard one minute or less "pitches" from each organization. After the presentations, the community in attendance voted for their favorite project from any particular region. The Pitch Event votes played a large role in the award winners.

Additionally, a private donor funded another Placemaking Grant submission after seeing the project posted and shared during the Community Voice voting on Facebook. The Harbor Beach Middle School Library was created in part through a donation to the Community Impact Fund at HCCF. Because these projects were submitted by community member, shared on Facebook, pitched to community members, and then voted on again, they received more publicity than our traditional grants. Altogether, over eight projects that were pitched during this grant ground came to life in 2019 thanks to public support.

# Fall Grants

Over \$101,000 in grants were awarded to over 40 deserving organizations in 2019. This number includes our Placemaking Grants, highlighted earlier in the report, as well as grants from Designated and Donor Advised Funds. Our competitive grant awards, from our field of interest funds, were awarded at our Annual Celebration in September.

2019 Fall Grant Recipients pose for a group photo following the grant presentation at the HCCF Annual Celebration hosted at the Pigeon Event Center in September 2019.

Creating vibrant and dynamic communities is a priority area for HCCF. One of our grants was a \$1,600 award to the Harbor Beach Artist in Residence Program (HB AiR), which brings artists into the community to live, create, and interact for one month. In its inaugural year, HB AiR brought three artists to Harbor Beach. An integral part of the program was the opening parting, where the community could meet the artists, and the closing presentation, where the artists shared what they had been working on and how the local area inspired their creations.

Nicholas James Thomasma, singer/songwriter, Timo Elliott, visual artist, and Peter Acomb, artist/performer brought art to the area in new ways, while integrating sand drawing inspiration from the culture of the area. Integrating arts into our communities creates vibrant and dynamic spaces for all to enjoy.

Huron County is incredibly fortunate to have topnotch emergency services and medical facilities in our area. HCCF was able to support two of those entities in their quest to provide even better patient care through state-of-the-art technology and help combat the EMT shortage facing our area. Central Huron Ambulance Service received an \$1,800 grant to upgrade technology in each of their ambulances by purchasing iPads. The iPads allow for data collection and improved patient care records.

Harbor Beach Community Hospital (HBCH) applied to purchase a CO2 Insufflator for to perform endoscopy procedures. They received a \$2,000 grant from the Health and Medical Fund at HCCF to support the purchase. This piece of equipment reduces side effects of colonoscopies and other endoscopic procedures. HBCH is home to the only CO2 Insufflator in the area. By providing preventative screenings with less discomfort, shorter recovery times, and fewer side effects, the goal is to increase the number of Huron County residents that choose to receive the screenings.

During 2019, HCCF was able to partner with Scheurer and Sanilac Medical Services to provide a tuition assistance grant for \$4,500. This grant supported three residents who enrolled in the EMS training in April 2019. Retaining and attracting talent is a priority area of HCCF. Providing tuition assistance for an in-demand career supported our that priority, while also supporting our local ambulances services and their quest for acquiring talented, trained individuals to provide emergency services to our county.

Below is the team at Harbor Beach Community Hospital with their new CO2 Insufflator.

# Youth Advisory Committee

The YAC is the Youth Advisory Committee of the Huron County Community Foundation. Their role, as the youth component of HCCF, is to be the voice for our county's young people. The YAC is also responsible for the Youth Activities Fund, a permanent endowment at HCCF. They use this endowment to fund YAC operations and make grants to organizations impacting the lives of Huron County youth.

In 2018, the YAC surveyed middle and high school students about the largest issues facing young people. The results of the peer-to-peer Needs Assessment direct the grantmaking and awareness projects of the YAC for the next three years. Gossip/Rumors and Bullying, Drug and Alcohol Use, and Distracted Driving topped the list and continue to be a focus area for the YAC.

One of the largest grants that the YAC awarded in 2019 was to the Huron County College and Career Access Network (HC3) to support Career Exploration for Huron County middle and high school students. This \$2,000 grant was used to support multiple career exploration events, including the Career Exploration Day held at the Huron County Fairgrounds for all 6th, 7th, and 8th grade students in our county. This event exposed our county's young people to the businesses, industries, and opportunities available in our own community. The event was hands-on, allowing students to experience the career and learn more about the qualifications required for that career path. YAC students were group leaders responsible for escorting the groups of middle school students to each different career area.

In addition to the grantmaking efforts of the YAC, the group engages annually in volunteerism/community services, awareness projects, and fund development to grow their endowment. In 2019, the YAC, with assistance from the Digital Media class at the Huron Area Tech Center, created a distracted driving PSA to raise awareness for this issue facing our county. They also volunteered at senior living facilities, made fleece blankets for children in Michigan hospitals through the nonprofit Fleece and Thank You, and hosted a fund development event at The Pasta House in Kinde.

# Scholarships

The Huron County Community Foundation is honored to manage scholarship funds, many of which are memorial funds, to support the education of our next generation.

This year, to show the collective impact of our generous donors, HCCF hosted a Scholarship Reception where all of the HCCF scholarships were awarded. This event brought together donors, scholarship recipients, their families, and our business community to create lasting connections between the groups. The students also heard from former HCCF scholarship recipient and small business owner, Jessi Lyn (Essian) Severance about her experience after high school and how opportunities to grow in her career and life brought her back to Huron County. This event showed our graduates about the many careers available in our area, hopefully inspiring our best and brightest to return to the area that invested in them during their youth.

# ANNUAL

# Sponsors

Our Annual Sponsors provide financial support for HCCF's operations, events, and digital marketing. These organizations make one gift at the beginning of the year, and we thank them all year long for their support. Operations contributions, while not glamorous, provide the support we need to continue to positively impact our community. Thank you to our generous sponsors for allowing us to work toward our mission.
